

Colorplan is a classic collection of coloured papers and boards available in 56 colours, 8 weights and 25 embossings.

Available with matching envelopes, cut sizes and a unique duplexing service for 540 and 700gsm finished weight in the same or contrasting colours.

Envelopes are available in all shades of Colorplan, C6, DL, window and bespoke sizes.

Colorlux is a film laminated development of Colorplan giving a distinctive two sided Colorplan to metallic finish in either matt or gloss. The film laminate used in the production of Colorlux is manufactured from paper cellulose and is biodegradable and compostable.

C6/DL Machine Made Envelopes

DL banker and C6 wallet (gummed) or DL wallet and C6 wallet (peel and seal) available in maximum weight 135gsm. Embossing available in 135gsm, except Gravure, Linen, Ridged, Cord, Colnade & Wire.

The minimum order for these envelopes is 500.

Bespoke Envelopes

You can specify your own size and substance in wallet or pocket style peel and seal. The minimum order for bespoke envelopes is 200.

Window Envelopes

Now available in Colorplan (up to 135gsm) in DL wallet (peel and stick).

Duplexing

Colorplan can be paste laminated in various colour combinations (and embossed if required). Two 270gsm boards produce a 540gsm finished board, or two 350gsm board weights produce a 700gsm finished board.

Embossing

Colorplan now has 25 embossing patterns. All are available from a weight of 135gsm and upwards to 700gsm. Minimum embossed size 430x500mm and maximum 720x1020mm. All embossings are one sided unless otherwise stated.

Minimum Orders

Colorplan is available in standard sheet sizes for only 25 sheets (per colour, weight and finish).

Cut Sizes

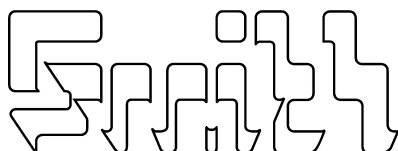

Available plain or embossed for a minimum order of 500 A4 sheets.

Bespoke Orders

Special sizes, colours, weights and duplexes are also available. Minimum order for a special colour is two tonnes, the minimum order for a special size or substance is one tonne.

Digital

Colorplan is approved for HP Indigo and is suitable for Xerox iGen. See our Digital Swatch.
