

A comprehensive collection of smooth papers for all text, cover and corporate identity work. Many papers in the GF Smith Smooths collection now have Environmental and Digital accreditations.

Papers to suit all budgets and applications from the utilitarian to the most prestigious.

Most ranges are available with matching C6, DL, bespoke and window envelopes.

Accent Smooth

Comprehensive range of smooth twin wire paper and boards for all forms of corporate communication including corporate identity and text and cover applications.

Beckett Expression

Super smooth range of paper and boards in a comprehensive range of weights, fibred and pastel options.

Cranes Crest Text

World famous and the oldest 100% cotton stationery range with matching envelopes. Papers of the highest quality.

Monadnock

Smooth white uncoated paper and boards, with outstanding sheet formation giving exceptional print performance.

Mohawk Navajo

With high ink holdout due to the 'Inxwell' manufacturing process. Navajo has high opacity, an ultra smooth surface, ultra bright shade (98) and a laser guarantee.

Mohawk Options

For precise four colour reproduction Options is a paper that has exceptional press performance. It is manufactured with the 'Inxwell' process which provides high ink holdout for sharper print dots, greater clarity and more vibrant colour.

Mohawk Superfine

A paper with superb formation which in turn will give exceptional print performance. Perfect for high end corporate communications and fine art limited edition prints and books.

Naturalis

Produced to the highest standards of smoothness, whiteness and formation for outstanding print results.

Phoenixmotion

Matt coated paper with a difference. Available in two shades, Phoenix motion will produce the finest full colour halftone results, yet retains the feel of an uncoated paper stock.

Strathmore Elements

Smooth uncoated paper and boards, with three whites in lines or plain.

Strathmore Writing

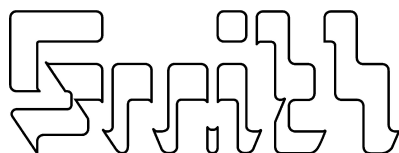

A range of papers for all types of graphic applications. Particularly suited to corporate communication and stationery work.

Zen

Comprehensive weight range in just one shade, Pure White. Zen is engineered with a surface coating to produce the finest quality print reproduction and retain the tactile feel of an uncoated paper

Digital

All these Smooth papers can be printed digitally. See our Digital Swatch.
