

**Traditional felt marks, antique finishes, fibres, linen and deckled edged papers are all available in the Textures collection.**

**Whites, pastels and vibrant colours with a diverse range of surface textures.**

**Envelopes available in all the textures collection in C6, DL, bespoke and window envelopes.**

**Accent Antique, Fresco and Intaglio**

These are all produced in the UK and offer a wide range of surface textures, weights and colours to suit all print processes.

**Beckett Cambric**

A fine linen paper in light and coloured shades suitable for corporate identity, stationery and also text and cover applications.

**Caslon Text and Label**

A lightweight paper with a variety of applications including text, letterheads, and of course labels. Caslons unique surface patterns and textures are suitable for both printing and foil applications.

**Cranes Lettra**

Part of the Cranes Crest 100% cotton range. Lettra offers a unique uncalendered collection of paper and heavy boards including 300gsm and 600gsm.

**Gmund Alezan**

With the look and feel of genuine antique leather, Alezan offers something completely different to the designer. A range of paper and board envelopes, which can also be supplied tissue lined. Alezan is perfect for foil blocking, blind embossing and litho printing.

**Gmund Bier**

Hops, malt and yeast are the by-products of the Bavarian brewers recipe and are used to make what is probably 'the finest paper in the world' with an earthy fibred feel in both paper and board weights.

**Strathmore Grandee and Pastelle**

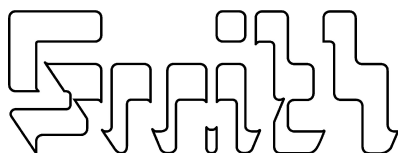

Manufactured in the USA, they are traditional felt marked papers with Pastelle featuring a unique deckled edge.

**Plike**

'This feels weird', a unique range of paper and board from Italy with the unusual surface texture of rubber. Perfect for foil blocking, blind embossing and litho printing.

**Digital**

Many of the Textures are guaranteed for digital printing. See our Digital Swatch.
